

# Antoine Soetewey

[antoinesoetewey.com](http://antoinesoetewey.com)

## Summary

I am a PhD candidate in statistics at UCLouvain in Belgium, within the Institute of Statistics, Biostatistics and Actuarial Sciences. My research interests focus on bio-statistical methods applied to cancer patients.

In parallel with my doctoral thesis, I am teaching assistant for several courses in statistics and probability at bachelor and master's level. I also provide trainings and consulting in data science, statistics and R programming for UCLouvain's technology platform for Statistical Methodology and Computing Service.

In my spare time, I write about statistics and code in R via my blog [statsandr.com](http://statsandr.com).

## Education

- |                |   |
|----------------|---|
| 2017 – Present | <b>PhD in statistics</b> – UCLouvain, Belgium<br>- Thesis: <i>Life and health actuarial pricing: a biostatistics approach</i> (supervisors: Prof. Catherine Legrand and Prof. Michel Denuit)<br>- All publications, posters and talks available at <a href="http://antoinesoetewey.com/research">antoinesoetewey.com/research</a> |
| 2015 – 2016    | <b>MSc in econometrics &amp; operations research</b> – Maastricht University, Netherlands<br>- Thesis: <i>Combining professional and survey forecasts for macroeconomic data</i> (supervisor: Prof. Nalan Basturk)  |
| 2013 – 2015    | <b>MSc in economics</b> – KULeuven, Belgium<br>- Thesis: <i>Negativity bias and framing effect in charity donations: a field experiment</i> (supervisor: Prof. Jo Swinnen)<br>- Faculty exchange of one semester at University of Illinois at Urbana-Champaign, USA   |
| 2010 – 2013    | <b>BSc in economics &amp; management sciences</b> – UCLouvain, Belgium  |

## Experience

- |                |  |
|----------------|--|
| 2017 – Present | <b>Teaching assistant in statistics</b> – UCLouvain, Belgium<br>- See all courses at <a href="http://antoinesoetewey.com/teaching">antoinesoetewey.com/teaching</a>  |
| 2018 – Present | <b>Consultant and instructor in statistics, R programming and data science</b><br>- Statistical and data analysis consulting for researchers and students (see <a href="http://easystat.be">easystat.be</a> ) and for professionals and companies (see <a href="http://datanalyze.be">datanalyze.be</a> )<br>- Instructor for UCLouvain's university certificates ( <b>SMCS</b> ): "Introduction to data analysis with R", "Junior data analyst" and "Practice of statistics with R" |

- 2016 – 2017     **Data scientist** – Business & Decision, Belgium
- Involved in several projects focusing on data science and data visualization

## Technical skills & languages

### Software

- R (RStudio, R Markdown & Quarto, R Shiny), Jamovi, GitHub/GitLab, L<sup>A</sup>T<sub>E</sub>X
- See examples of projects at [antoinesoetewey.com/software](https://antoinesoetewey.com/software)

### Languages

- French (native), English (fluent), Dutch (basic)
